## One Focus — Marine Insurance Broking

### Introduction

FP Marine Risks, a specialist marine insurance broker, has provided expertise across all classes of marine since our formation in 1994.

Our business portfolio extends across marine hull, cargo and liability. We provide risk solutions to a broad range of clients in the shipping, trading and general maritime communities. We are headquartered in Hong Kong and our principal markets are both direct insurance and reinsurance in Asia Pacific, Middle East and Europe.

### Today

In 2013, FP Marine Risks joined the Hyperion Insurance Group, one of the world's leading insurance and reinsurance intermediary organisations. As a member of the Hyperion Insurance Group, FP Marine Risks is a key partner to the broking and underwriting networks of Howden Broking Group, DUAL International and RKH Specialty.

Hyperion is the world's largest employee-owned insurance group with more than 3,500 people in 37 countries. As an international insurance intermediary group, Hyperion has insurance broking and underwriting agency networks across the globe.

Howden is a multiple award-winning, independent employee-owned insurance broker, combining deep sector expertise with the scale of a global group.

DUAL is the largest global underwriting agency in the world. It provides specialist insurance solutions by connecting capacity providers to new geographic markets and segments and brokers with new insurance markets.

RKH Specialty is a leading independent specialty lines broker, creating unique risk solutions, programmes and facilities across a wide range of industries and risk classes, placing complex risks for some of the world's largest companies. In 2017 FP Marine Risks joined the RKH Specialty family as the Asian Marine specialist.

## Our Expertise

FP Marine Risks is structured to deliver the most comprehensive service to every client, wherever they may be located.

We have a highly focused team of marine insurance professionals drawn from the insurance, shipping, legal and financial communities operating from offices in Hong Kong, Beijing, and Taipei and through our representative in Shanghai.

By working together, we combine our knowledge and expertise as a shared resource, enabling our clients to have full access to one of the most experienced collections of marine brokers, claims specialists and support staff available, with unparalleled access to insurance markets worldwide.

## Broking Teams

Our broking teams consist of highly experienced professionals with backgrounds in underwriting, insurance broking, shipping, financial services and maritime law which are organized by class of business.

All of the broking teams communicate and collaborate across the offices to ensure the best outcomes for our clients.

## Claims Team

Our international claims team handles all types of losses, both straightforward and complex. Because we understand that speed of response is paramount, with the initial stages of a claim often proving critical, we provide 24 hour claims contact numbers to our clients.

### Memberships and Accreditations

FP Marine Risks is a Lloyd's broker, the first Asian insurance broker to receive such an accreditation.

FP Marine Risks is also a full member of the Hong Kong Confederation of Insurance Brokers (CIB), which is a prerequisite to being allowed to trade as an insurance broker in Hong Kong.

FP Marine Risks is also regulated by the China Insurance Regulatory Commission and the Ministry of Finance in Taiwan.
